

# Say Negotiations In Windsor Strike Completely Futile

**Union Director Declares Workers Ready  
To "Horse Trade"—Auto Barricade Removed**  
WINDSOR, Ont., Nov. 7 (CP).—George Burt, Canadian director of the United Automobile Workers (C.I.O.), said tonight his union was ready to "horse trade" on the demands which led to the Ford Motor Company strike but he understood the company would not grant any concessions.

Mr. Burt's statement lent support to a generally accepted belief that efforts of two Cabinet Ministers—Labor Minister Mitchell and Attorney-General Blackwell—to negotiate with the company had resulted in a complete breakdown.

As a result of the strike, about 22,000 workers are idle. They include the 10,000 members of the U.A.W. Local 200 originally called on strike September 12, and some 8,000 members from Local 195 who quit their jobs in other Windsor plants this week; and about 4,000 non-union workers.

A meeting originally scheduled tonight between the ministers and union officials was called off with some prospect it would be held tomorrow. A formal statement on the two days negotiations was expected from Mr. Mitchell following that meeting.

Mr. Burt tonight declared that at conferences between union officials and the two ministers yesterday the union had shown a willingness to adopt a flexible rather than a rigid position.

It was expected that if the ministers met the union officials tomorrow they would outline today's discussions with company officials and what action they proposed taking. Similar information would then be made public.

## REPORTS POINT TO COMPLETE BREAKDOWN

Both the course of today's discussions with the company and information gathered from highly reliable sources pointed to a complete breakdown in the efforts of Mr. Mitchell and Attorney-General Blackwell to get the company to deviate from its opposition to a union security contract.

Meetings between the Government officials and union officers yesterday resulted in an optimistic feeling that an early settlement was likely. The sudden change in the conference atmosphere today gave some measure of support to the theory that the two cabinet ministers had

## From Europe Day by Day—

THE TIMES, London  
News and Comment on International Events selected from The Times daily and published in The Daily Colonist by special arrangement with The Vancouver Daily Province.

(Copyright, 1945, by Southern Co.)

LONDON, Nov. 7.—The new Dutch statement of policy concerning Indonesia is more full of loopholes than most official declarations of policy. The Times Batavia correspondent says today.

Nearly all its provisions when put into plain language represent either pious hopes, obvious statements of fact, or evasions of the issue, he claims.

Two months ago the statement of Dutch policy might have improved the atmosphere, but today, with tension rising all over Java and with nearly everyone in the Netherlands thinking in terms of war, such a statement signifies little.

The first reaction among British observers, says the correspondent, is that the statement offers the Indonesians much less than the British White Paper offered the Burmese. The Dutch are confronted with a more serious nationalist problem and have fewer resources of their own to deal with it.

The statement could hardly be expected to appeal to Soekarno and his nationalist colleagues, who know they will be in trouble if the Dutch gain control, and Soekarno has in fact issued a statement of his own that amounts to a flat rejection of the Dutch terms, he concludes.

Commenting editorially on the Hungarian election results, The Times says the significance of the election lies less in the fact that the Communists did not do well, or in the failure of Socialists to fulfill expectations, than in the fact that for the first time in the modern history of Hungary, elections have been free.

"The manner of the elections has demonstrated, hopefully the ability of the Allies to arrive at reasonable arrangements in one of the territories of common interest, and the outcome has justified recognition of the Hungarian Government as a democracy by the Western Powers."

## Police in Gun Duel With Sailor

MILTON, Ont., Nov. 7 (CP).—A gun duel between police and a man in sailor's uniform wanted "for questioning in connection with a earlier holdup was fought today on the main street of this Halton County town of about 2,000. The man escaped after four shots were fired.

## Communists Score New Successes

### Forcing Government Armies to Retreat

CHUNGKING, Nov. 8 (Thurs- day).—Chinese Communists have captured two Central Government Army commanders in Southern Hopeh Province and forced the Government armies to retreat, a military spokesman said today. One of the commanders was reported to have committed suicide.

The scene of this reversal in China's undeclared civil war is the same one where the Communists claim they have routed 70,000 Government troops.

The spokesman said one of the captured generals was Ma Fah Wu, commander of the Forty-First Army. He is understood to have committed suicide. The other was Kao Shu Hou, commander of the Eighth Army.

The spokesman accused the Communists of circulating unfounded rumors about the two generals "in an effort to throw dust in the eyes of the public."

The Communists had claimed a number of generals and the bulk of their troops had surrendered.

The spokesman's version was that the Eighth and Forty-First Armies were attacked north of Tzschien in Hopeh by several tens of thousands of Communists.

He said their commanders were captured the night of October 30 at different points and their armies subsequently withdrew southward to await orders from Chungking.

A semi-official dispatch claimed Government success in clashes with Communists in Southern Hopeh and Northern Hopeh.

Intensified fighting flared on several fronts and both Chinese and foreign quarters in Chungking agreed that the situation is nearly beyond repair and full-scale war is almost inevitable.

The Communists claimed decisive defeat of eight Government divisions, totaling 70,000 men, during which the Reds tightened their grip on the Peiping-Hankow rail line and recaptured the Hopeh Province rail junction of Tzschien on October 25—blocking the northward movement of Chiang's troops along that route.

Under able Gen. Ho Lung, the Communists said they drew their fiery siege ring tighter around Kwei-sai, capital of Inner-Mongolian Suiyuan Province. Other Red forces battled for the besieged rail junction of Tzschien to the east and prepared to assault Paochow to the west.

## Storm Followed By Cold in North

PRINCE RUPERT, B.C., Nov. 7 (CP).—Coldest weather in two years gripped this area today as Prince Rupert struggled to repair its shattered utilities, extensively damaged by a savage wind and rain storm last Friday.

Five days after the storm had spent itself, rail and road facilities had not been restored to use. Shortage of repair equipment is hampering work.

## Returning Nov. 18

HALIFAX, Nov. 7 (CP).—The Earl of Athlone, Governor-General of Canada, and Princess Alice, are scheduled to arrive back in Canada November 18. It was reported here today.

## Cenotaph Service Here Sunday To Pay Homage to War's Dead

Citizens of Victoria will assemble at the Cenotaph in Parliament Square on Sunday at 11 a.m. to pay homage to the memory of those who laid down their lives in two wars for freedom and decency.

Canadian Legion, B.E.S.L., working closely with the armed services, will hold the annual ceremony at the war memorial.

The ceremony will be conducted by Hon. Major the Rev. George H. Hamilton, senior Protestant chaplain of Vancouver Island. Capt. R. I. Agnew, O.B.E., R.C.N., will take the salute at the march past.

## Marines to Leave China, Byrnes Says

WASHINGTON, Nov. 7 (CP).—Secretary of State Byrnes reported today that the United States is planning to withdraw American marines from China.

The marines now are occupying various strategic towns between Communist forces and Central Government armies.

Byrnes said the marines went to Northern China to help Generalissimo Chiang Kai-shek take the Japanese surrender and disarm Nipponese forces numbering about 1,500,000 to 2,000,000.

## Home Again, Completely "De-superized"

After being ground through the wringer of Russian prison camps, these once vaunted "supermen" of the German Army, in their ragged clothing, are a sorry-looking lot, and very far from super-looking. They smile though, because at least they are home. They are marching through the British zone of Berlin after the Russians released them as unfit for useful work.

## Will Assist Tourist Industry in Canada

### Claxton Outlines Dominion Government's Program—Easier Border Crossing Sought

TORONTO, Nov. 7 (CP).—A six-point Dominion Government program to assist and stimulate the tourist industry in Canada was announced here tonight by National Health Minister Brooke Claxton, speaking on behalf of Hon. James A. MacKinnon, Minister of Trade and Commerce.

Mr. Claxton, speaking at the annual dinner of the Canadian Association of Tourist and Publicity Bureaus, outlined the new program of Federal activity in the tourist field as follows:

1. Establishment of an advisory committee, with representatives of the Province, Railway and other agencies, to plan and stimulate co-ordinated activity to attract tourists and ensure their good treatment when they come.
2. Provision of adequate funds for publicity.
3. Use of all Federal agencies in support of the program, including the Canadian Travel Bureau, the Canadian Broadcasting Corporation, the National Film Board and the Canadian Information Service.
4. Steady efforts to facilitate border-crossing with a minimum of trouble and delay.
5. Further development of national parks; construction or development of main-line airports; and, in accordance with Federal proposals to the Dominion-Provincial conference, assistance in the construction of the Trans-Canada Highway, of some kinds of feeder roads and of other works with a definite value in conserving and developing Canada's natural resources for tourist purposes.

The success of Canada's shipbuilding program has been a measure of the success of our whole war effort," said Mr. Howe. "Much of the credit is owing to Mr. Carswell, Mr. Dewar and their able assistants.

Their untiring efforts in arranging for the construction of shipyard facilities, in procuring for adequate supplies of materials, and in arranging and expediting the program, will be indelibly imprinted on the pages of the history of Canadian shipbuilding."

# Meeting Opposed To Any Plebiscite Upon Utilities Plan

## Victoria Mayor Agrees Proposal "Washed Up" After Decision of Municipalities Committee

VANCOUVER, Nov. 7 (CP).—The nine-man steering committee, composed of mayors and Reeves representing 31 municipalities of the Lower Mainland, decided at a special meeting here today that plebiscites on the proposed purchase of the British Columbia Electric Railway Company should not be put to the electors at December civic elections.

The formal resolution said civic and municipal leaders could not recommend a plebiscite since municipalities involved would have to give certain guarantees regarding financing.

The resolution said that "in view of the correspondence with Premier John Hart and of the fact that it now appears that the municipalities in the utility districts will be obliged to give some guarantees with regard to financing, this

committee is of the opinion that it is not desirable that the plebiscite or referendum approved of by the conference of municipalities at October 31, should be submitted."

## DECLARES EFFORT "ALL WASHED UP"

"This effort at public ownership of the B.C. Electric is all washed up," said Reeve R. M. Grainger, of Richmond, after the conference. His remark was endorsed by Mayor Percy George, of Victoria, and Mayor William Moff, of New Westminster.

Mayor George said his council had not actually rejected the plebiscite idea, but had laid it on the table pending result of this meeting.

Also signifying his opinion that the present negotiations are at an end, Alderman Charles Jones, of Vancouver, who with Mayor J. W. Cornett represented this city, said: "It looks like the poor B.C.E.R. will be always with us."

Turning point of the negotiations hinged on whether the municipalities would have to stand behind the financing of the deal as far as it concerned their interest in it.

Premier Hart in reply to a request from Mayor Cornett said: "It will be the definite responsibility of cities and municipalities to set up commissions to make provision for financing of the operations."

"The commissions would have power to borrow but there is no assurance that they could raise necessary funds municipalities must give guarantees."

Municipal leaders felt they would not be justified in asking their electors to vote since it would involve the municipalities in guaranteeing the bond issue.

Premier Hart said Wednesday that in view of the fact that the Government had repeatedly outlined its policy it should be expected that the municipal representatives should decide definitely whether they are prepared to recommend to the citizens the purchase of B.C.E.R. assets within the municipal boundaries affected.

The Government's policy was reiterated in a message from the Premier.

## B.C. in Power Pool in 1946 Murrin Says

VANCOUVER, Nov. 7 (CP).—President Truman's signature authorizing the Bonneville Power Administration to construct and operate transmission facilities to the Canadian border to deliver power to the British Columbia Power Corporation, means that British Columbia will formally enter the Northwest Power Pool next year, W. G. Murrin, president of the B.C. Electric Railway Company, said tonight.

Premier John Hart ratified the hook-up last June 13.

Bonneville Administration will build 71 miles of transmission line from Arlington, Wash. to Blaine at the international boundary.

B.C. Power Corporation will build 25 miles of transmission line from Blaine to receiving facilities on the north bank of the Fraser River, at a point below New Westminster.

Construction will begin before January 1 and should be completed by September. All equipment and materials have been ordered. Negotiations for right-of-way on the Canadian side are near completion.

Thomas Ingledew, vice-president and chief engineer of the B.C. Electric, said "There is every reason to believe that when Bridge River is completed, arrangements will be made to enable a reciprocal flow of power to the south when required."

The contract with the Bonneville Administration will be in effect until the completion of the Bridge River project, which is expected to start delivery of power into the Lower Mainland area in 1949. Construction crews of more than 1,000 men will be in the field next spring.

## Vancouver Motor Firm Fined \$1,000

VANCOUVER, Nov. 7 (CP).—One of the heaviest fines imposed here for infractions of Prices Board regulations was levied today against Campbell Motors Limited of Vancouver.

Magistrate W. W. B. McInnes fined the firm \$1,000 following its conviction of a charge of failing to comply with provisions of a section of the price ceiling control order which requires that a fair and reasonable trade-in price value be allowed when one car is turned in upon the purchase of another.

Evidence disclosed the company paid a Hammond, B.C., man \$10 for a 1931 model car, which subsequently was sold for \$225, and then purchased a 1934 model for \$490. Six specific offences were listed against the company. Hearing of a further charge was adjourned for a week.

## Offers Defence For S.S. Guards

LUENEBURG, Germany, Nov. 7 (CP).—Professor H. A. Smith, of the University of London Law School, contended today that 45 S.S. guards charged with killing or mistreating prisoners at the Belzen and Oswiecim concentration camps were innocent of war crimes because it was their duty to obey the "national policy" of their country.

Appearing for the defence, Professor Smith declared concentration camps were established in 1933 as a "part of the national policy for degradation and extermination of the Jewish race," and that the accused were "bound by German law to do their duty."

"Whenever there is a conflict between international and domestic law, it is the duty of a citizen to obey the law of his country," he added.

He argued there was no breach of international law and no war crimes because "we are dealing here with an incident which has no logical connection with the war at all."

## L. D. Wilgress to Head Canadian Delegation to London Meeting

OTTAWA, Nov. 7 (CP)—Suggestions for war memorials to commemorate those who died in the Second Great War were made today as the Commons began debate on second reading of a bill to bring such memorials under the War Charities Act.

M. J. Coldwell, C.C.F. leader, expressed general approval of the legislation and suggested that economic facilities for young people be established in Canadian communities as a suitable form of war memorial which would do the most good.

The debate was continuing at adjournment.

Earlier, Justice Minister St. Laurent announced that L. D. Wilgress, Canadian Ambassador to Moscow, will head a joint party Parliamentary delegation which will represent Canada at a meeting of

the Preparatory Commission of the United Nations opening in London on November 23.

Parliamentary members of the delegation will be Senator A. M. Hargrave (L. Quebec), Howard Winkler (L. Ontario), Gordon Graydon (P.C. Ont.), Philip Picard (L. Quebec), and Stanley Knowles (C.C.F. Winnipeg, North Centre).

Mr. St. Laurent said the prime court would deal with 12 cases resulting from war-time seizures of vessels, and also would adjust compensation for vessels taken over which belonged to enemy-occupied countries.

## Little News Of Seizure Of Americans

SAN FRANCISCO, Nov. 7 (AP)—Charles Miner, Mutual Broadcasting System's correspondent at Shanghai, reported tonight that a news blackout was clamped down at United States Army Headquarters following the reported seizure by Chinese Communists of several American seamen from a Liberty ship in the Chingwang area.

Newspapermen dependent on British sources were told, Miner reported, that some seamen were seized by the Communists but that some later were released.

An American army spokesman in Shanghai, Miner added, refused to discuss the matter and the United States Consul-General's office referred inquiries to the British Consulate, saying only "vague" reports had been received on the incident.

The House gave third and final reading to a bill to set up a prize court to deal with enemy vessels seized during the war and heard from John Diefenbaker (P.C. Lake

view) to Mayor George of Victoria, written November 6, which said:

"I repeat once again that the Government will not take over the services of the B.C. Electric Railway Co., Ltd. (transit system, gas distribution, etc.) within the Greater Vancouver and Greater Victoria districts as outlined in the Gilman report. Consequently, the question is up to the cities and municipalities in those districts to decide whether they will purchase those services and at a price to be determined by a tribunal or body to be set up by the Government for that purpose.

"If the plebiscite of referendum is endorsed by the people and if the cities and municipalities petition the Government for necessary legislation, it will be recommended by the Government to the Legislature. Such legislation could make provision for the setting up of municipal commissions and give whatever financial powers necessary.

"It will be the definite responsibility of the cities and municipalities to select and appoint the commissions and to make financial provisions for capital for expansion and general requirements and other expenses deemed necessary for the commissions' operations. If such an arrangement were made, the Government will be prepared to issue bonds for the whole project and would accept bonds from the cities and municipalities or the municipal commissions for the amount of the purchase price of the assets acquired by the respective commissions. These bonds could be on a sinking fund or serial basis and would be payable by a special monthly charge on all electricity delivered to the municipalities or the municipal commissions."

## Claims Deliberate Pattern Used Against Conscription in Quebec

MONTREAL, Nov. 7 (CP)—An understanding approach to the problems affecting French-speaking Canadians—the strongest homogeneous ethnic group in Canada—would have enabled the Government "to sell conscription to Quebec even after it had repeatedly told the people here that conscription never would be enforced," Paul Tanguay said in an address to a business club.

Mr. Tanguay, French-speaking Canadian radio producer, said a "deliberate pattern" had been followed by Canada's Government and political leaders to marshal the opinions of French-Canada against conscription, but nothing had been done to

change its thinking on this matter.

The necessity of conscription never was properly explained to Quebec. On the contrary, "it had been deliberately misrepresented to French-Canadians by the Government and politicians who sought to exploit the ill-feeling that was engendered during the First Great War."

He added: "Don't blame Quebecers for being anti-conscriptionists. Blame the Government and the political parties who taught them to be so, who wanted them to be so, and who succeeded from 1917 to 1939. But even after 27 years of anti-conscription talk, it would have been possible to sell it to Quebec if somebody in authority had really tried."

"Was that ever done? No! From 1917 to 1938, and from 1939 to this day, Quebec has been repeatedly told conscription would never be enforced, come what may. Jean Bédard, secretary of the Government of Quebec, as being the will of the majority, as being the will of most Canadians. And nothing official has ever been said or done to change that doctrine or to reverse that policy."

Logging Operator Crushed to Death

Crushed by a log, Alfred Devaney, 57, owner and operator of the Devaney logging camp, Simoom-Soung, was killed on Monday, according to word reaching Provincial Police Headquarters here yesterday. Constable Howel, investigating, reported an inquest was held last night.

Managers and other employees of the Famous Players theatres here were present at the luncheon, at which was shown Technicolor pictures of the anniversary celebrations held in Toronto and Vancouver last January, which inaugurated the corporation's 25-Year Club.

As acting Mayor, Alderman Edward Williams—tendered greetings from the city to Famous Players Corporation and commented on the wholesome nature of the entertainment provided in local theatres. Mrs. Nancy Hodges, M.L.A., also commended the corporation on its operations here and throughout the country.

Victoria members of the 25-Year Club, representing a quarter of a century's service with Famous Players, are J. M. Robertson, manager of the Capitol Theatre, and H. C. Edwards and William More, both projectionists at the Dominion Theatre.

## First Mate In Libel Suit Against Ship

CORPUS CHRISTI, Tex., Nov. 7 (AP)—A 10,000-ton tanker, the St. Newberg, was seized by a United States deputy marshal today after the first mate, held in chains—18 days at sea for what his captain said was "insubordination on the high seas," filed a \$50,000 libel action against the ship.

Details were brought out at a hearing in the U.S. District Court here today.

The petition of Capt. A. H. Miller of the Newberg asking revocation of the license of First Mate Charles L. Maes, 55, of Los Angeles, was filed in court.

Capt. Miller lodged Maes for insubordination on the high seas and threw him in chains as the tanker was approaching Balboa October 18. He said Maes refused to "butterworth the tanks" at his order. This is a cleaning operation.

Maes remained in chains for 18 days, he said in his charges. When the ship docked here November 2, he was transferred to the Nueces County Jail.

Maes was released Monday following an investigation by the Federal Bureau of Investigation, asked by Capt. Miller when Maes was placed in jail.

No criminal charges have been filed against him.

## Near Objective In Ninth Loan

OTTAWA, Nov. 7 (CP)—Canada's Ninth Victory Loan tonight stood only \$210,333,750 from achievement of the minimum objective of \$1,500,000,000.

The cumulative total of the close of business Tuesday was \$1,269,646,250, compared with \$974,276,400 at the same period of the Eighth Loan Drive. Tuesday's sales maintained the \$90,000,000 daily pace, which, if continued, would see the loan nearly at its target by Thursday.

The Eighth drive exceeded its objective by more than \$150,000,000 and present indications are that performance will be at least equalled by the current campaign, despite the record aiming mark.

Victory Loan salesmen in Vancouver are finding a new kind of buyer in the Ninth Loan—conscientious objectors who refused to buy bonds during the war because it might be considered as money for killing.

Hess Is Reported To Be Fit for Trial

NUERNBERG, Germany, Nov. 7 (Reuters)—Rudolf Hess, Hitler's former deputy, tonight was reported to have declared he was fit for trial as a war criminal, although a specialist examination of his suspected loss of memory has been ordered.

"I am all right to be tried," he was reported to have said. "When I was with Hitler I must have been alert and mentally perfect. While I cannot now remember what happened then, I shall be able to follow the trial proceedings." He is one of 22 top-ranking Nazis awaiting trial here.

Pelicans on Pelican Island, confronted with a new sign saying "The Pelicans of This Island Are Protected," deserted the place en masse.

## Nanaimo District Goes Over Top in Victory Bond Drive

Nanaimo district soared over the top yesterday in the Ninth Victory Loan campaign, joining three other Vancouver Island units in the campaign for 40 per cent oversubscription of the original objective as a tribute to fighting men of the island.

Greater Victoria increased its subscription to \$9,353,250, compared with the original minimum quota of \$8,400,000.

Low unit on the island now is Scotch, Esquimalt and Gulf Islands, which has 90.2 per cent of its quota.

Cowichan-Duncan, and Courtenay-Cornwall with 94.8 and 96 per cent, respectively, were within striking distance of their objectives.

Ford Strike Meeting, Chamber of Commerce, 8 p.m., Thursday.

Official figures for the island up to last night follow:

ISLAND UNITS	Subscribed	Pct. of Quota
Greater Victoria	\$9,353,250	111.2
Scotch, Esquimalt and Gulf Islands	\$1,150,000	90.2
Cowichan-Duncan	1,042,100	94.8
Courtenay-Cornwall	1,105,300	96.0
Esquimalt	275,000	140
Langford	225,000	140

HERNE BAY, England, Nov. 7 (CP)—Britain claimed a world air speed record tonight after a jet-propelled Gloster Meteor flashed over a measured course four times today at an average speed of 606 miles an hour.

The new mark, unofficially establishing the Meteor as the world's fastest plane, was set by Group Capt. H. J. Wilson, of the R.A.F.

The officially recognized air speed record of 481.84 miles an hour was set in 1939 by Capt. Fritz Wendel, of the German Air Force.

### Duncan to Buy Bonds

DUNCAN, Nov. 7.—The City Council decided to purchase \$26,000 worth of Ninth Victory Loan bonds from money accumulated in the city sinking funds.

A request for an amendment to the zoning by-law to permit the opening of a community store on Trunk Road was refused.

A local improvement by-law for the construction of a concrete sidewalk on Islay Street was introduced. A petition for a street light on Tye Street was referred to the electric light committee for action.

Participation of a continuing cold snap. The weatherman issued the gloomy prophecy of more snow and rain today.

According to the Gonzales Observatory, 1.6 inches of snow fell. It began about 4 a.m., and continued in flurries until after daybreak. Although Monday's snow disappeared rapidly, yesterday's remained in patches, while a falling thermometer late last night indicated it may be still around today with more added.

Snow also fell in varying quantities at Sooke, Nanaimo, Vancouver, Nelson, Trail, the Kootenays, Tacoma and Seattle.

### B.C.'s Communication System Was Great Secret of War

A WARTIME communication system, extending through 3,000 miles of the wildest country in Canada, is depicted in the above map. It represents details of the Pacific Communications System of the Royal Canadian Air Force—a closely guarded secret of the war. Planned and completed under the urgent threat of Japanese aggression, the system will remain as an outstanding constructive development for the future of Western Canada. Entailing long days and nights of arduous work, the system made the most remote parts of British Columbia become instantly accessible by voice and teletype. The plan involves land lines and radio links. The project included 16,252 miles of wire strung along 4,882 poles to a distance of nearly 2,000 miles. Work was completed in August of last year.

## Vote to Strike In Favor of Ford Workers

ST. CATHARINES, Ont., Nov. 7 (C.P.)—Union employees of the McKinnon Industries, Ltd., plant here voted tonight in favor of strike action in support of striking workers at Windsor, but will await direction of the executive committee of Local 199, United Automobile Workers.

Union officials said this would enable the strike action to be coordinated with possible similar action by union groups elsewhere.

The McKinnon plant employs about 2,500 men but there was no indication of the number who are members of the union.

Members of Local 876, U.A.W. (C.I.O.) at the Hayes Steel Company approved a one-day "labor holiday" if outside police are used at Windsor to break the strike or if a general sympathy strike is called by the union.

The Hayes Steel Company employs about 1,200.

## Address by First Sea Lord Will Open Navy Week Sunday

Sir Andrew Cunningham, First Sea Lord and Admiral of the Fleet, will officially open Navy Week on Sunday, November 18, when he speaks from London over the B.B.C. in a special broadcast beamed to Canada.

The first observance of Navy Week since the end of the war will take place throughout the Dominion November 18 to 25, with a local program never before paralleled, according to league officials. The Junior Chamber of Commerce is co-operating.

Primary purpose of Navy Week is to pay honor to the men of the Royal Canadian Navy and the Merchant Marine who have died serving their country, and those who are still serving.

LARGE PEACETIME NAVY HERE

Second purpose is to raise needed funds to keep 22 Navy League hostels across Canada in operation. The Navy League cares for sailors both ashore and afloat, and sponsors Sea Cadets' organizations throughout the country. Prince Robert House, the local hostel, has had an attendance of 250,622 in the last ten months.

Canada's peacetime navy on the Pacific Coast will be larger than ever before. Not less than 5,000 men will be maintained here, roughly 1,000 at sea and 4,000 on shore, Col. Thomas Moore said.

Official program for Navy Week is as follows:

Sunday: Admiral of the Fleet, Sir Andrew Cunningham, will speak from London. Carried across Canada, his talk may be heard over C.B.T. at 2:30 p.m., and over C.J.V.I. at 5:15 p.m. Rainbow Sea Cadets 1 and 11 will attend church parade at First United Church at 11 a.m. Open house will be held at the Robert House, Sea Cadet headquarters at 3 p.m.

Monday: Films in connection with Navy Week will be shown throughout Greater Victoria schools. Collection boxes will be stationed in schools for Navy League funds. A dance will be held for all services at Prince Robert House at 9 p.m.

Tuesday: Robert House will be thrown open to the public in the afternoon and evening. Tea will be served and an orchestra will be in attendance.

Wednesday: Royal Canadian Naval College, Royal Roads, will be open to visitors all afternoon. Sea Cadets will show guests through the grounds. A dance will be held for all services at Prince Robert House at 9 p.m.

Thursday: R.C.N. band will play and march through city streets between 2:30 and 4 p.m. In the evening, a swimming gala will be staged at the Crystal Garden under the direction of Archie McKinnon, of the Y.M.C.A., at 8 p.m., followed by a dance with the Navy Orchestra in attendance, and a carnival sponsored by the Victoria Lions Club. Tickets may be obtained from Robert House, Fletcher's, and Kent Roach.

Friday: During the afternoon,

the general public is invited to visit H.M.C. ships, cruiser Uganda, destroyer Crescent and frigate Malana.

Saturday: At 10 a.m. the Royal Canadian Navy, the Band, the Sea Cadets and the W.R.C.N.S. will parade. During the afternoon the aforementioned ships will be open to the public. There will be a dance for the services at Robert House in the evening.

Sunday: The public will again be invited to visit the Uganda, the Crescent and the Matone in Esquimalt Harbor. All donations to the Navy League may be mailed to Prince Robert House.

## 74 Jews Dead After Riots in Tripolitania

CAIRO, Nov. 7 (AP)—Seventy-four Jews and one Arab were killed in bloody anti-Jewish rioting the last three days in Tripolitania, but a curfew and shoot-to-kill orders to troops tonight suppressed disorders in most of the Mediterranean colony.

Arab mobs looted and gutted Jewish quarters and assaulted Jews in Tripoli, Souk El Juma and Tagura. "In a serious outbreak of rioting, violence and arson" started Sunday night, British headquarters said.

Tripoli itself was under heavy guard today and "the provinces remained generally quiet except for the eastern provinces, where disturbances were reported from Cusabab and Ziltan," a communique said.

The rioting, blamed by British authorities on "irresponsible elements who in a large majority of cases came from the Arab section of the population," sent to hospital 183 Jews, 36 Arabs and two Italians.

The new Arab-Jewish clashes followed rioting last week in Egypt in protest of a national home in Palestine for Jews.

Troops and police in Tripoli were ordered to "shoot all looters and to fire if necessary to disperse groups of more than five persons."

## Native Daughter Dies

Funeral services for the late Miss Caroline Alice King, 71, Cedar Hill Crescent, who died at the Royal Jubilee Hospital on Tuesday, will be held tomorrow afternoon. The remains will leave Hayward's B.C. Funeral Chapel at 3:15 p.m. for St. Luke's Church, Cedar Hill, where services will be conducted by Rev. F. Pike at 3:30 p.m., with interment in the churchyard.

Miss King, who was born in Seaside and lived there all her life, is survived by a brother, Charles King, Cedar Hill Crescent; a sister, Mrs. W. E. Heal, Royal Oak, and several nieces and nephews.

## Lieutenant-Governor Praises Chinese Contributions to Defeat of Japanese

Chinese contributions to the defeat of Japan were praised by Hon. W. C. Woodward, Lieutenant-Governor, at a dinner held by members of the Chinese Freemason Society of Canada at the Empress Hotel last night.

He paid tribute to the Chinese youth of Canada who fought against the enemy, adding: "Your forefathers would have every reason to be proud of the work you have done."

Attended by provincial, civic and municipal representatives, the dinner was associated with the one-week bi-annual anniversary convention of the ancient Chinese fraternal society.

Respects of the Provincial Government were conveyed by Hon. E. C. Carson, deputy minister of lands and mines, who represented Premier Hart and his Cabinet.

"I heartily endorse remarks of the previous speakers," said Alderman E. Williams, representing

Mayor Percy George and the City Council. Frank Higgins, K.C., pointed out the understanding which existed among Chinese and Canadians. He referred to China as "an incubator of democratic principles."

Endorsing previous speakers, Magistrate Henry Hall praised the way Chinese had preserved family relations, despite years of war and internal strife.

An outline of the founding and history of the society was presented by Nick Wong, publisher of the Chinese Times, Toronto. He claimed his organization was deeply concerned with present unsettled conditions in China, but claimed the society had no political aspirations.

Wah Sing Chow, head of the Duncan branch, was chairman. After welcoming guests, he explained: "Our aim is for world brotherhood and freedom to mankind."

Others among the 50 attending included: T. W. S. Parsons, commissioner of B.C. Police; Walter Miles, vice-president of the Chamber of Commerce; Lieut.-Col. F. Brooks; Stephenson; W. Bland, Grand Master of Freemasons in British Columbia; and John Woolcock, district deputy grand master, district No. 1.

The dinner was followed by an entertainment program at the Chinese Freemason Hall, Fisgard Street.

## Island Groups Active

Spruce Products, Ltd., reported to Ninth Victory Loan officials yesterday that employees had climbed to 250 per cent of their original bond quota. Officials said it placed them among leaders in their class on Vancouver Island.

Other group payroll firms whose employees were reported over the top yesterday were: Dowell's Pacific Transfer, Tergeson Bros., Burns & Co., Ltd., Diggon-Hibben, Ltd., and W. H. Malkin Co., Ltd.

In the payroll group class, B.C. Coast Steamships reported a splendid job of canvassing had pulled the total over \$110,000, and canvassers hoped within the next day or two to receive an honor pennant awarded when 15 per cent of the total payroll is pledged to bonds.

Canadian Bakeries, Ltd., Victoria Tug Co., Ltd., Palm Dairies, Ltd., and Weston's Bread & Cake Co., Ltd., were other payroll firms going over the top.

F. Hoey, organizer at Duncan, stated yesterday that unit was climbing and had reached \$1,042,000. Firms in the unit attaining 100 per cent of their quota were Industrial Timber Mills, Ltd., Youbou, Summit Lumber Company, Mayo Bros' Lumber Company and George H. Moore Logging Company. He said Hillcrest Lumber Company, with 84 per cent of its quota subscribed, hoped to join the over-the-top firms within a day or two.

## Weddings

### BROWNING-SMITH

DUNCAN, Nov. 5.—The marriage took place at Forest, Nfld., Tuesday, September 25, of George Vernon Browning, graduate of U.B.C., and son of Mr. and Mrs. C. V. Browning, of Duncan, and Edith Mary Smith, daughter of Mr. and Mrs. Fred Smith, of Fortune, Nfld. The ceremony was performed by Rev. J. J. Durrant at the home of Mr. and Mrs. Sidney Lawrence.

The bride, who was given in marriage by Rev. A. Bell, of Sarnia, was lovely in a floor-length white sheer wedding dress with a sequin neckline, long white net veil worn with a coronet of rhinestones, and she carried a colonial bouquet of American Beauty roses. Miss Alma Bell, of Forest, wearing a long blue sheet dress with matching shoulder-length veil, was bridesmaid, and Mr. James Gennet, of Sarnia, was best man.

After a honeymoon trip to Toronto and Niagara Falls, Mr. and Mrs. Browning will reside at Madison, Wis., where the groom is working for his Ph.D., majoring in chemistry.

### MCDONALD-CAREY

St. John's Church wedding service of a pretty wedding last evening when Rev. O. L. Jull officiated at the ceremony joining Norma "Dolly," daughter of Mr. and Mrs. W. Carey, 841 Short Street, and Ralph, son of Mr. and Mrs. H. R. McDonald, 3325 Oak Street. Given away by her brother, Mr. Richard Carey, the bride was lovely in a gown fashioned with imported lace bodice buttoned down the front, double silk net skirt, sheer tulle, slightly an train and lily point gauntlets. Her embroidered veil fell from a coronet of white blossoms and she carried a shower bouquet of red roses and gardenias. There were three attendants: Little Bonnie Bradbury, niece of the bride in a Kate Greenway frock of orchid tulle; Mrs. P. Kwitman, cousin of the bride, in dusty pink crepe; and Miss Edith Cameron, in ice blue tulle.

Attending the bridegroom, who recently received his discharge from the Fleet Air Arm, was his cousin, Mr. Philip Austin, and ushering

## Children's Aid Society W.A. Holds Successful Shower-Tea

W.A. to Children's Aid Society held a successful annual shower-tea, at the Y.W.C.A., Wednesday afternoon, when the sum of \$130 was realized for Christmas gifts and necessities of the children. Garments and material, valued at an additional \$100, were donated. Mr. Mayo Singh donated 100 yards of flannel to the society.

Baby chrysantheums decorated the rooms, and the tea table was

covered with a yellow chrysantheum flanked by tall white tapers. Presiding at the tea table were Mrs. P. E. George, Mrs. G. Kirkendale, Mrs. Norman Whitaker, and Mrs. R. H. McInnes.

Stall conveners included: Mrs. C. F. Wharton, and Mrs. G. Brown; novelties, Mrs. D. Wight, and Mrs. S. Child; and a display by the Provincial Board of Health, was conducted by Mrs. J. Young.

Do not cook fish too long. Short cooking retains its full flavor. If fish is to be broiled it should be broiled at low temperature. Instead of boiling fish, steam it first, trying in a piece of cheesecloth or muslin and boil gently to keep it from breaking apart.

Released by The Associated Press.

Tea will be served under the patronage of Mrs. E. M. Jones, assisted by Mrs. Harvey, Mrs. Wallace, Mrs. Bramhall, Mrs. McVane, Mrs. Earle, Mrs. Benwell, Mrs. Kilmier, Mrs. Bayliss and Miss Margaret McAuley.

Many attractive articles will be on display from which to select Christmas gifts. ## Societies

St. Alban's Ladies' Guild will hold a rummage sale on Saturday in the S.O.E. Hall at 9:30 a.m.

Lake Hill C.W.L. made final arrangements at a recent meeting for the Christmas carnival to be held December 12 in Lake Hill Community Hall.

Annual sale of work, sponsored by St. John's W.A., will be held in Colwood Hall Wednesday at 2:30 p.m. Afternoon tea will be served, and there will be stalls of home-cooking, fancywork and "white elephant."

Ladies Aid Society of Knox Presbyterian Church sponsored Technicolor films recently, which were shown in the S.O.E. Hall by Mrs. George Palmer. The films were "Dutch Traditions" and "Lionel Lincoln Coast."

Plans for the bazaar to be held in the Parish Hall, November 30, were completed at the meeting of the Senior W.A. to St. Saviour's Church, Monday afternoon. Mrs. George Porter presided. Nomination of officers for the coming year were entered.

The Intermediate Musical Art Society will meet Saturday, November 10, at 8 p.m. at the Truth Centre, Port Street. There will be an interesting program and refreshments will be served. Member tickets will be sold and all interested young people are welcome.

L.A. to the P.O.E. Aerie No. 12 decided to purchase \$200 Victory Bonds at the meeting Tuesday evening.

The W.A. of First United Church will sponsor a concert Monday, November 26, in the First United Church, presiding Mr. John Beadwell, concert tenor of Vancouver, the Victoria Junior Symphony and the First United Church choir. It was announced at a meeting Monday evening. Mrs. Nash presided. The December meeting will be a special rally of all ladies of the church.

Sister Hazel Hollingshead, president of the Rebekah Assembly, was honored guest of Carrie Rebekah Lodge No. 45 recently at a banquet held in Terry's Rose Room, and a meeting later in the I.O.O.F. Hall, Douglas Street. Sister Olive Crowther presided. Sister L. Smoother, P.N.G., introduced the following visitors: Sister R. Davidson, assembly warden; Sister J. Tansum, Sister Marie Somerville, and Sister J. Grant, all past presidents. Sister E. Deane, past vice-president; Sister E. Ranganath, D.D., president; Brother Anton Henderson, past grand master, past grand representative; and Brother Shaffer, past grand patriarch and past grand representative.

CHOOSING BUSINESS COLLEGE INSTEAD OF MARRIAGE

Dear Miss Fairfax:

I graduated from high school last year and have now started to business college, trying to fit myself to become a secretary. But I'm discouraged. I'm 18 years old and in love with a young man of 23 who has just returned from service and has married another girl.

Before he went into the service he asked me several times to marry him, but my parents didn't approve of my marrying or making any promises until I finished my education. He wouldn't wait but married someone else.

He hasn't a regular job now, and they are living with his parents. I love him terribly, but my mother says I'll be thankful before the year is over that I didn't marry him. Do you think she's right?

—Unhappy.

A good many young people fall in love frantically before they're quite 18, and when meeting those same sweethearts later on, are more than resigned that they didn't marry them. I'm willing to wager that you'll be thankful for the decision to graduate from business college before you consider marriage.

ST. AUGUSTINE, England, Nov. 7 (CP).—British A.T.S. girls are threatening to boycott this Cornish town's only fifteen because they cannot get tea if they wear lipstick.

Arthur Rowlett who runs the canteen single-handed told them: "I have no objection to lipstick except on the rims of leopards. I won't serve you if you wear it."

Mr. Rowlett, a lay preacher, serves and washes 400 leopards daily and says he enjoys doing it.

AT TWENTY HEART CAN BE PATCHED

Dear Miss Fairfax:

I am a girl, 20 years of age and in love with a man of 27. He has been in service for the past three years—I met him when he was stationed in our city and soon after that he went overseas. He was home on a 30-day furlough but spent only three days here, as his home town is 200 miles away. He stayed with his father, who had been very ill.

He told me he cared very much for me and also said he had been married and divorced. My mother objects to him because she doesn't believe he was ever divorced. He decided we'd better stop seeing each other and soon after he stopped writing without further explanation. He doesn't answer my letters. Do you think it advisable to write him mother? I love this man very much.

### "Normal" Travel Soon As Troop-Moves Lessen

MONTREAL, Nov. 7.—Early return to "normal" traffic conditions on the Canadian Pacific Railway was forecast today by W. M. Neal, C.P.R. vice-president of the company.

Some qualification of terms "normal traffic" was made by the rail executive in view of his own estimate of tourist movement next year. He thought heavy troop movement would be concluded next Spring.

"I am convinced," he declared, "that the Canadian railways will be called upon to carry the greatest amount of tourist business of all-time during 1948."

It is seldom easy to deny oneself.

### Jack Carson Plays Serious Lover

Rosalind Russell seems to have had enough of Jack Carson's fun-making in the above scene from Warner Bros. "Roughly Speaking," now at the York. The comedy stars are teamed for the first time in this rousing story of a family's hi-jinks during the past three decades.

## At the Theatres

### Rosalind Russell Stars at York

Louise Randall Pierson, author of the autobiography, "Roughly Speaking," from which Warner Bros. film is by the same name, was adapted, was recently informed by the Special Service office of the army and navy that her armed services edition of the book has just passed the 60,000 mark.

The Special Service Command felt that this saga of the pucker of a New England family, which had lost its fortune, would be an excellent tonic for all soldiers enduring the agony of "foxholes," and that its humor and drive would be an excellent morale builder.

Warner's film version of "Roughly Speaking," which stars Rosalind Russell and Jack Carson, opens today at the York Theatre.

### "U-Boat Prisoner" True Navy Story

An exciting and timely new thriller, Columbia's "U-Boat Prisoner," with Bruce Bennett and Erik Rolf, opens at the Rio Theatre today. John Abbott, John Wengraf and Robert Williams are also seen in the film.

The story of this action yarn was written by Archie Gibbs, an American merchant seaman who was captured by the Nazis when his own ship was sunk. Lowlanders directed for producer Wallace MacDonald.

### Joan Fontaine in Romantic Comedy

George Brent, the Black Irishman of ruddy, romantic moods, is flashing his charm again in a new film called "The Affairs of Susan." And George needs plenty of Irish charm in this one for he tangles with four other romanticists, each of whom has but one idea on his mind—to win the love of that beautiful mix, Joan Fontaine.

It all starts today at the Atlas Theatre when Susan deliberately snafes four different men by assuming four different personalities. She knows her men and obviously, knows what they like. Besides Brent, there's Dennis O'Keefe, Walter Abel and newcomer Don DeFore—a fulltime foursome.

### "The Doughgirls" Now At the Cadet Theatre

Take a crowded hotel suite originally reserved for the honeymooning or two, add an assortment of characters ranging from a female Sgt. York to a wet wash king, throw in a wolfish broadsword, a female judge, a soy-bean-to-fuel process, and you have "The Doughgirls." Warner Bros. hilarious comedy which opens tomorrow at the Cadet Theatre. Heading an imposing cast are Ann Sheridan, Alexis Smith, Jack Carson, Jane Wyman, Irene Manning, Charles Huggins and Eve Arden.

### "Blossom Time" Coming To Royal Fri.-Sat.

"Blossom Time" is probably the only opera of our day which can boast of a score whose melodies are all more than 80 years old. The music of this colorful opera, which comes to the Royal Victoria Friday and Saturday, November 9 and 10, was arranged by Sigmund Romberg. But Romberg has always been the first to acknowledge his total indebtedness to a short, bespectacled Viennese school-teacher's son named Franz Schubert, who was born on the outskirts of Vienna on the last day of January, 1797. Schubert was one of the most prolific composers of all time. Piano sonatas, quartets, masses, symphonies, overtures, even operas flowed from his facile pen. But it was his songs that most endeared him to the world of men and music. And from Franz Schubert's six hundred songs, Romberg drew most of the melodies heard in the "Blossom Time" score. Schubert, by the way, is also the subject of the "Blossom Time" libretto, written by the late Dorothy Donnelly.

### Make this 30-DAY TEST!

1. If you're really ill, see your doctor! But if you just feel dull and headache all the time, it may be you're suffering from incomplete elimination. Especially if you're over 35! No need to let yourself feel worn out and lousy. Take this simple precaution:
2. Start now to eat Kellogg's Bran Flakes every morning! You should find you don't need nasty doses or harsh cathartics. To keep fit the natural way get more "bulk" in your diet by eating Kellogg's Bran Flakes with Other Parts of Wheat every day. They are gently laxative, help keep food wastes moving promptly, and supply valuable minerals and proteins, too.
3. Thirty days should prove this pleasant way to keep fit—to have extra energy to do all the "after-work" things you've always longed to do. Just eat a big, delicious bowlful of crisp Kellogg's Bran Flakes every morning! You'll find Kellogg's so appetizing you'll want to keep right on enjoying them!

LOOK ON YOUR GROCER'S SHELVES for the name  
"Kellogg's" on the distinctive golden-yellow package  
—regular or economical family size. Made at London,  
Canada by the makers of Kellogg's Corn Flakes.

"I tried it! The first bowlful of Kellogg's Bran Flakes told me it would certainly be no chore to eat them every morning for a month. They really tasted swell! Now I can say the "30-DAY TEST" worked for me. I feel like a million all the time!"

\*In a recent independent survey among hundreds of housewives from coast to coast, "Kellogg's" were named the favourite Bran Flakes by three times as many as named any other.

Ask for the new, large, economy package!

## Protest Closing Law Violations

Protests against violations of evening and Wednesday closing laws were voiced at a meeting of Greater Victoria Independent grocers at the Empress Hotel last night. George R. Matthews, provincial secretary, Retail Merchants' Association of Canada, under auspices of which the meeting was held, was asked to take up the matter with chiefs of police.

The following were appointed to represent Victoria retail grocers as an advisory committee to the provincial executive: T. G. Crawford, H. G. Adams, G. Wellburn, N. J. Greig, R. J. Wood, E. Silburn, J. Gordon and K. Ghent.

The Dominion Government had been asked to wait until the provinces had substituted legislation of their own before rescinding consumer credit rules, Mr. Matthews stated. W. C. Brown, provincial chairman, grocers' division, R.M.A., outlined the association's store modernization campaign and a plan for grocers and wholesalers to work together to decrease overhead.

## Little Stories for Bedtime

HAPPY JACK SQUIRREL MAKES A FIND

Happ. Jack Squirrel had had a wonderful day. He had found some big chestnut trees which he would want for all next winter. Now he was thinking of going home, for it was getting late in the afternoon. He looked across the open field where Mr. Goshawk had so nearly caught him that morning. His home was on the other side.

"It's a long way around," said Happy Jack to himself, "but it is better to be safe and sure."

So Happy Jack started on his long journey around the open field. Now Happy Jack's eyes are bright and there is very little that Happy Jack does not see. So, as he was jumping from one tree to another, he spied something down on the ground which excited his curiosity. "I must stop and see what that is," said Happy Jack. So down the tree he ran and in a few minutes he had the queer thing which had caught his eyes. It was smooth, and black, and white, and at one

One was sticking in his foot and one was in the white patch on the seat of his trousers.

end it was very sharp, with a tiny little barb. Happy Jack found it out by pricking himself with it.

"Ouch!" he cried, and dropped the queer thing. Pretty soon he noticed there were a lot more on the ground.

"I wonder what they are?" said Happy Jack. "They don't grow, for they haven't any roots. They are not thorns, for there is no plant from which they could come. They are not alive, so what can they be?"

Now, Happy Jack's eyes are bright, but sometimes he doesn't use them to the very best advantage. He was so busy examining the queer things on the ground that he never once thought to look up in the tops of the trees. If he had, he would not have been so much puzzled. As it was, he just gathered up three or four of the queer things, and started on again. On the way he met Peter Rabbit and showed Peter what he had. Now, you know Peter Rabbit is very curious. He just couldn't sit still, but must scamper over to the place Happy Jack Squirrel told him about.

"You'd better be careful, Peter Rabbit, they're very sharp," shouted Happy Jack. But so much of a hurry to heed what was said to him, Lipperty-lipperty-lip lipperty-lipperty-lip, went Peter Rabbit through the woods, as fast as his long legs would take him. Then suddenly he squealed and sat down to nurse one of his feet. But he was up again in a flash with another squeal louder than before. Peter Rabbit had found the queer things that Happy Jack Squirrel had told him about. One was sticking in his foot and one was in the white patch on the seat of his trousers.

## Protest Increase In Plane Fares

When representatives of the four Greater Victoria municipalities meet today they will be asked to file a protest with the Board of Transport Commissioners against the order requiring Trans-Canada Air Lines to raise its passenger rate between Victoria and Vancouver to the tariff level of Canadian Pacific Air Lines.

Alderman Edward Williams, acting mayor, said yesterday that he would bring the matter to the attention of the committee and press for an immediate protest to Ottawa.

Mayor Percy E. George, Reeve W. L. Woodhouse, Oak Bay; Reeve E. C. Warren, Saanich, and Reeve T. Hadfield, Esquimalt, will gather today on their return from the meeting of the 31 municipalities on public ownership of utilities in Vancouver.

Alderman Williams termed the rate action "just another slap in the face for Victoria." He said it was

unfortunate the action should come as efforts were being made to put Victoria on the air map of Canada.

Major H. Cuthbert Holmes, president of the Chamber of Commerce, said yesterday that a meeting of the board of directors will be held shortly. A telegram protesting the increase was sent by George I. Warren, secretary, when the step was announced.

An appeal against the order, which raises the T.C.A. rate to \$5.30 from \$3. for a one-way flight, and from \$5.50 to \$10 return, has already been

unfortunate the action should come as efforts were being made to put Victoria on the air map of Canada.

## Quota Exceeded By \$12,411,700

VANCOUVER, Nov. 7 (C.P.) — Investments in the British Columbia-Yukon area of the Ninth Victory Loan campaign today totaled nearly \$3,000,000 more than the corresponding day in the previous loan, as three more divisions reached their quotas.

The over-all provincial total now is \$23,011,700 for 117 per cent of the original \$70,500,000 quota, and loan officials anticipate reaching the new \$100,000,000 objective before the campaign ends Saturday. Total investments to date are nearly \$23,000,000 ahead of the eighth loan.

Latest successful divisions are Vancouver Island with 105 per cent of quota, New Westminster-Fraser,

103 per cent, and Kootenays, which went just over a \$3,000,000 quota.

The newest  
WONDER DRUG!

It works where sulfa and penicillin fail. It is called streptomycin and promises to be a conquering weapon against an incredible array of diseases: typhoid and undulant fever, cholera, surgical infections, possibly tuberculosis, leprosy, and even whooping cough. November Reader's Digest tells you how it was developed from soil bacteria—and some of the astonishing cures already worked. Get your Reader's Digest today—before stands sell out.

WHEN STRENGTH  
WANES

After you reach 60—  
Try this Restorative Food

To maintain strength and vitality in one's later years, Ovaltine can help in two important ways:

- (1) Ovaltine supplies concentrated, easily-digested nourishment needed to repair muscle, nerve and body cell wastage.
- (2) Ovaltine provides essential food elements, including Vitamins A, B<sub>1</sub>, and D, and the minerals Calcium, Phosphorus and Iron. These vital elements are often deficient in limited diets of elderly people.

Taken warm at bedtime, Ovaltine in vials refreshing sleep without drugs, helps the body to relax naturally. Try Ovaltine tonight. Buy Ovaltine at your drug or food store today.

Newfoundland May  
Soon Regain Status

MONTREAL, Nov. 7 (CP).—Newfoundland may soon regain her status as a full Dominion of the British Commonwealth to place her as a constitutional equal with Canada, Australia and the other Dominions. Raymond Gushue, chairman of the Newfoundland Fisheries Board, said here today.

He said that a national convention to restore a responsible government, that to the island as an aftermath of the depression, is expected to be called early next year and predicted Newfoundland would return to a full Dominion status as a result of the convention and a subsequent plebiscite.

## COACH PASSES

ATLANTA, Nov. 7 (CP).—Col. Emory E. (Swede) Larsen, former football coach of the United States Naval Academy, died here today.

## UPLANDS GOLF CLUB

Annual meeting of the Uplands Golf Club will be held in the clubhouse today at 8:15 p.m. Reports on the past season's activities will be submitted and the executive

selected. All members are requested to attend.

## EVACUATE CELLAR

WASHINGTON, Nov. 8 (AP).—Washington Lions moved out of the Eastern United States Hockey League cellar tonight when they battled Baltimore Clippers to a 2-2 deadlock. The tie pushed the Lions one point ahead of the tail-end New York Rovers.

## ST. PAUL WINS

MINNEAPOLIS, Nov. 7 (AP).—A goal by Normie Bugeas gave St. Paul a 3-2 victory over Minneapolis in a United States Hockey League game tonight. St. Paul's passing game proved too much for the Mills and the Saints controlled the puck most of the time.

## BEARS BEAT HORNETS

HERSHEY, Pa., Nov. 7 (AP).—Three times Hershey Bears came

from behind and in the last period nosed-out Pittsburgh Hornets for a 5-3 victory in the American Hockey League here tonight. A crowd of 6,900 attended.

## ROVERS TRIUMPH

NEW YORK, Nov. 6 (AP).—New York Rovers, opening their home season in the Eastern United States Hockey League, outclassed Philadelphia Falcons to gain a 6-1 victory tonight before 5,643 fans.
